HOLLAND AMERICA LINE SMOKING POLICY

The smoking policy designates all interior space, including staterooms and casino, as non-smoking areas. This includes cigarettes, cigars and pipes. Electronic cigarettes are allowed in staterooms (because they do not leave any residual odor) but cannot be used in public areas. Anyone who violates the ban on smoking in the staterooms will be charged a \$250 cleaning fee. No smoking of any kind will be permitted on stateroom balconies.

For guests who wish to smoke, there will be a designated area available for smoking outside on Deck 9, Sea View Bar and Pool. Clearly marked "Designated Smoking Area," the area includes a sufficient number of ashtrays that are emptied regularly. Cigar and pipe smoking is permitted in the Designated Smoking Area.

Holland America Line reserves the right to modify the smoking policy onboard or alter the locations where smoking is permissible at any time. Please refer to the Holland America Line website for any other information.

TIPPING ON BOARD

Other than drink service charges, all tips for servers, cabin stewards, etc., have been pre-paid. However, please feel free to reward exemplary service with the internationally recognized sign of gratitude: "tipping."

MALT SHOP MEMORIES CRUISE ATTIRE

The overall dress theme for the cruise is "smart casual."

Daytime attire is not subject to limitations, so guests may dress in appropriate and tasteful clothing of their choosing. Coverups and footwear are required in all venues and dining areas.

Evening attire is subject to the dress code for that particular evening. For six of the seven nights the evening dress code is "smart casual," which means no shorts, tank tops or T-shirts in the main dining rooms or premium restaurants. Jeans are acceptable attire for the "smart casual" evenings. Our formal night is Prom Night on Friday. Our late-night themes (see page 9) offer you a chance to dress up in theme-appropriate clothing (e.g., sock hop, prom, costumes) most nights.

MALT SHOP MEMORIES CRUISE PROGRAMMING

To help you better prepare for this rock 'n' roll party at sea, we are excited to announce that we will post our shows and event schedule on the Malt Shop Memories Cruise website on August 7! We hope this enables you to better plan your spa appointments and dining around the events you want to attend during the week. Check it regularly for any updates as we fine-tune our week at sea.

During the course of the cruise we will continue to have special contests and events:

- ★ **Going, Going, Gonged** Got a hidden talent you want to share? We are bringing back our talent show and all of the hilarity it inspires. If you would like to participate on board this year, start preparing now. Sign-up times will be announced aboard the ship. Please ensure that you have your own backing materials and tracks. Each participant will be allowed two minutes to perform.
- ★ **Door Decorating Contest** Guests are encouraged to decorate the doors to their cabins to reflect the Malt Shop Memories Cruise format. Prizes will be awarded to the winners. We ask that guests use nonflammable materials and not use any fasteners or tape that would leave a hole or any residue or sticky substance when removed. Also, please don't use anything that could fall off and impede the flow of traffic.
- ★ **Hula-Hoop Contest** You may try (as many times as you want!) to be the winner of the Single, Double and Triple Hula-Hoop Contests. Those who keep the hoops going the longest win prizes.
- ★ **T-shirt Party and T-shirt Decoration Contest** Join us on Tuesday afternoon for the annual T-shirt party. Put on your Malt Shop Memories Cruise T-shirt and get ready to enjoy free drinks and entertainment. There will be a contest and prizes for the guests with the most inventive T-shirt decorations.

THE MAINSTAGE PERFORMANCES

The Mainstage is our main theater. Every guest will have the opportunity to see a nightly show based upon the designated show time (**BLUE** for early show and **ORANGE** for late show). The Mainstage Seating Card, found in the guest document box, is color coded for easy identification for the ushers and will match the color of your Ship Identification Card.

The Mainstage Show Policies and Procedures

To ensure that the entry and seating procedure is both fair and easy, we have adopted the following policies and procedures:

- * You must present your Mainstage Seating Card to the ushers at the entrance in order to enter the theater for the appropriate show time. All seats have been assigned and we can't accommodate seating requests or changes.
- * There are four entrances to the Mainstage, two on Deck 2 and two on Deck 3. No other entrance is available for guests. The Mainstage Seating Card lists the suggested entrance best suited for your seat.
- * Doors will open for each show approximately 30 minutes before scheduled show time. With assigned seating, there is no need to arrive early.
- * All seats will be numbered clearly with Malt Shop Memories Cruise seat stickers, and ushers will be present to assist with any questions. Refer to the theater schematic in this package.
- * Unfortunately we cannot allow guests to change seats. The guest who was assigned a specific seat may arrive late and it is too disruptive to everyone else to move once the show starts.
- * Guests who interfere with the fair and safe entry into the Mainstage may risk forfeiting their rights to attend that show or other shows. Our goal is to provide the best entertainment experience for all of our guests and we request that you treat all passengers and staff with respect. Any behavior that disrupts the enjoyment of other passengers will result in removal from the show by security staff.
- * The taking of flash photos and the recording of the shows violates our contracts with the performers. Since it is impossible to easily discern what type of equipment can record, **no electronic equipment of any kind will be allowed in the Mainstage during shows.**
